

REMARKS

Applicant submits herewith a Request for Continued Examination, and respectfully requests that the Examiner reconsider the application in view of the two (2) attached Declaration of Prior Invention in the United States to Overcome Cited Patent or Publication (37 C.F.R. 1.131) documents filed herewith. With respect to the present application, the Applicant hereby rescinds any disclaimer of claim scope made in the parent application or any predecessor or related application. The Examiner is advised that any previous disclaimer, if any, and the prior art that it was made to avoid, may need to be revisited. Nor should a disclaimer, if any, in the present application be read back into any predecessor or related application.

CONCLUSION

The application, as amended, is considered to be in condition for allowance, which is earnestly solicited by Applicant. Should the Examiner be inclined otherwise or if it might otherwise expedite examination, a personal interview is requested at a time prior to the next office action. Further, if the prosecution can be in any way advanced by a telephone discussion, the Examiner is requested to call the undersigned at (312) 240-0824.
